

VIVID SYDNEY SHINES

If there's one place in the world where inspiration shines bright, it's Vivid Sydney. Returning for its 11th year, Australia's most loved and awarded festival brings together light artists, music makers and brilliant minds to share their creativity with you. See the city transformed. Discover new artforms. Ride soundwaves. Spark new ideas and ignite conversations. Let your imagination take flight. Sustainability: Vivid Sydney, the Banksia Foundation and Informed 365 are improving Vivid Sydney's sustainability. Initiatives include use of 100 percent GreenPower, accredited renewable energy, purchase of verified carbon offsets, efficient LED technologies, waste minimisation,

electronic ticketing and promotion of public transport.

Vivid Light illuminates Sydney's skyline with Lights On! from 6pm each evening*. Lighting of the Sails unfurls across Sydney Opera House and 3D mapped projections bring the city's landmarks to life. Be inspired by this vast outdoor gallery of light art as you weave your way along the Light Walk. Venture to Barangaroo, Darling Harbour, Luna Park, Chatswood and Taronga Zoo.

GETTING THERE

Major city road closures will be in place before the Vivid Sydney lights switch on each night. Extensive parking restrictions will also be in place, making street parking very limited, so it's best to leave the car at home. The best way to travel between Vivid Sydney precincts is by public transport. Avoid traffic delays and catch one of the many extra transport services. Use the real-time Trip Planner at transportnsw.info to plan your trip with the most up-to-date service information. Detailed event transport and traffic information will also be available at vividsydney.com/transport closer to the event.

ACCESS AND INCLUSION 👃

Plan your trip to Vivid Sydney by visiting vividsydney.com, where you can find up-to-date information on accessible viewing areas, accessible drop-off and pick up points or download an accessible map. During the festival, audio descriptions for the Vivid Light Walk will be available and for visitors with restricted mobility, Samsung is providing tablets to experience Vivid Sydney through imagery and video. Cushman & Wakefield is proud to return in 2019 as Vivid Sydney's Access and Inclusion Partner.
