HARBOUR LIGHTS

View this dazzling spectacle from the harbour foreshore or travel around Sydney Harbour aboard one of the many participating vessels which depart from Circular Quay and King Street Wharf.

THE GALERIES NEW

A massive LED screen divided into 18 fragments will create an immersive galaxy of colour, light and movement which takes over Sydney's hippest food and shopping precinct.

TARONGA ZOO NEW

Vivid's wildest precinct is celebrating its Centenary in 2016. Taronga Zoo will light up with an illuminated trail comprised of giant animal multimedia light sculptures.

CENTRAL PARK

Sydney's funky urban village will, once again, explore new concepts with a thrilling sound and light show. Enjoy an exciting evening with dinner at Central Park Mall, free family entertainment and a silent disco.

THE ROYAL BOTANIC GARDEN SYDNEY NEW

To celebrate its 200th birthday, the stunning harbourside of the Royal Botanic Garden Sydney will host a variety of illuminations during Vivid. Entry is via the Queen Elizabeth II Gate on the eastern side of the Sydney Opera House.

CHATSWOOD

Journey from the Chatswood Interchange to Westfield Chatswood and The Concourse and be dazzled by digital animations and an amazing collection of installations. Stay and enjoy shopping, dining and market stalls. By day, Chatswood Chase will host deep-sea adventures for all ages.

AUSTRALIAN NATIONAL MARITIME MUSEUM

Amazing light projections on the museum's rooftop, plus installations with an under the sea theme, will dazzle visitors and be visible across the harbour foreshore.

IMPORTANT INFORMATION FOR LOCAL RESIDENTS

Vivid Sydney is the largest festival of its kind in the world, combining light, music and ideas from 27 May to 18 June. For the past seven years the annual event has welcomed visitors from around the world. More than 1.7 million people took part in Vivid Sydney 2015, with the event named Australia's Best Tourism Event in 2013, 2014 and 2015.

For 23 consecutive nights, Sydney will become the colourful canvas for 3D projections and light installations transforming our harbour foreshore.

To help make this year's festival even more successful, extra public transport services will be running to help people move around the city.

CONSTRUCTION OF LIGHT RAIL IN THE CBD

Construction of the 12-kilometre light rail route from Circular Quay to Randwick and Kingsford is underway. There are various parts of George Street that are closed for this project. For information on traffic restrictions relating to the CBD and South East Light Rail project, visit mysydney.com.au

GETTING AROUND THE CITY DURING VIVID SYDNEY

EXTRA PUBLIC TRANSPORT SERVICES

Everyone planning to take part in Vivid Sydney is encouraged to leave their car at home and take advantage of the extra train and bus services running over the 23 days of the festival.

There will be many people enjoying Vivid Sydney in the city, particularly over the weekends, so be sure to allow plenty of extra time to get around as the Circular Quay precinct and public transport will be busy. If you're looking to avoid the large number of people who will be out and about, you are encouraged to go to Vivid Sydney earlier in the week and earlier in the evening.

Regular bus routes and stops in the CBD will be changed while road closures are in place. Details will be displayed at the relevant bus stops in the days leading up to Vivid Sydney 2016.

For everything you need to know about getting around Sydney by public transport during the event go to vividssydney.com/transport or call **131 500**.

ROAD CLOSURES AND SPECIAL EVENT CLEARWAYS

Extensive road closures and special event clearways in the Sydney CBD, The Rocks and Walsh Bay will be in place to help minimise traffic congestion and keep pedestrians safe.

Roads will be closed from 7pm Monday to Thursday, 6pm Fridays and from 5pm on weekends including the public holiday on Monday 13 June. The festival's busiest nights are expected to be Friday to Sunday nights and every night of the long weekend.

Some of these changes will be in your local area and may impact you, so please take the time to familiarise yourself with the information provided.

While the road closures are in place, please leave your car at home and take advantage of the extra public transport services available. If you do need to drive, expect delays, allow additional travel time and plan to travel outside of the road closure times.

If you own a business, arrange for deliveries to arrive well before road closure times, as no access will be granted once the closures are in place.

Special event clearways are no parking zones, even for residents and businesses with parking permits and Mobility Parking Scheme permits. Vehicles left in special event clearways will be towed away and fees apply, so check signs before parking.
