GETTING AROUND THE CITY DURING VIVID SYDNEY

Extra public transport services

Thousands of extra services will run during Vivid Sydney and all precincts are easily accessible by public transport. With major road closures and parking restrictions in place, the best way to travel between precincts is to leave the car at home and catch public transport.

Make sure to have a valid Opal card and top it up before you travel to avoid queues at machines.

Alternatively you can use a major debit or credit card to tap on and off trains, ferries and light rail services.

Buses in the city will be affected by the road closures and will use temporary stops. Ferries are also popular during Vivid Sydney so have a backup transport option in mind. For all the details on transport services during the festival visit: vividsydney.com/transport.

ROAD CLOSURES AND CLEARWAYS

Key roads in the Sydney CBD, Circular Quay and The Rocks will be closed each night during the festival and parking restrictions will be in place.

To keep pedestrians safe, roads will be closed:

- Monday to Thursday nights: minor closures from 7pm to midnight
- Friday nights: moderate closures from 6pm to midnight
- Saturday & Sunday nights (and Public Holidays): major closures from 5pm to midnight

Check the map overleaf for more details.

No vehicle access to and from properties within the road closures will be permitted. It is a fineable offence to drive on, or exit a driveway onto, a closed road. Plan your movements ahead of time and ensure your vehicle is parked outside of the road closure footprint if required.
