Clarification:

ID	Clarification Request	Clarification Response
1	I would like to know if this position is open to a working holiday visa holder?	Destination NSW requires applicants to have the relevant right to work in Australia. Destination NSW will not be sponsoring applicants to obtain the relevant visa. You must also have the right to work at time of applying
2	Will you accept my resume as my application?	Destination NSW requires applicants to submit a proposal based on the Request for Quotation document. Sending a resume only does not meet the Request for Quotation selection criteria.
3	How do you expect Quotations example can we submit a quotation for the whole period from OCT 2019 to June 2020 or should we submit a quotation for monthly or fortnightly?	Destination NSW requires a written quotation for the period outlined in the RFQ for 2020 and 2021.
4	Should we meet your request general Items criteria (Page No 4 of DNSW advertisement) at the time we submit the quotation? Or before Commencement of Contract in October 2019?	Destination NSW requires the General items requested must be provided at contracting stage.
5	Could you please advise the remuneration amount for the contract?	Destination NSW requests a quotation for services based on the outline in the request for quotation.
