

Request for quotation – Clarification Addendum

Date: 17 February 2020

Light Walk Lighting Overlay & Vivid School Light Installation Management - Original Request:

Destination NSW is seeking an itemised quotation for the provision of Vivid Sydney Light Walk Lighting Overlay & Vivid School Light Installation Management for Vivid Sydney 2020 - 22 May to 13 June 2020 with an option for Vivid Sydney 2021 (option to be exercised at Destination NSW discretion).

Clarification:

ID	Clarification Request	Clarification Response
1	In the Key Timeline, The installation for Vivid School Sculptures (850 sculptures), do the dates of 25th to 28th May between 12pm and 5pm include the lighting install and programming or will the LED be installed and programmed earlier?	The Physical lighting package will be installed and programmed during the bump in period 10 May - 16 May. The Vivid School installation art pieces will be installed during Vivid School 25-28 May being fully installed by the 29 May for the remainder of the festival.
2	In regards to Vivid School Installation, Could you please provide a rough indication of cabling (power & control) and/or hardware that may be required of the vendor for this installation?	Control Console will be estimated 50 metres from Ethernet Node, Dmx Splits range from 10 metres - 30 metres. Dmx split to power supply estimated 10 metre - 30 metres. Power distribution is estimated to be 10 metres - 30 metres from the distribution board. Please refer to the attached drawing for further detail.
3	In regards to Vivid School Installation, Upon reviewing the drawings and images, we are having difficulty interpreting the expectation of the Vivid Sydney operations team in this section, could you please provide an indication of how many staff are expected to assist the team with this component.	The Supplier is responsible for installing lighting components, programming, maintaining and removing. Vivid Sydney Operations Team will assist with placement and removing of art pieces. Supplier to have 2 x Staff on Site during the placement to ensure lighting product is functional whilst art pieces are being installed. Between 1pm - 5pm from the 25 May - 28 May.
