LIGHT WALK MAP

Invigorating the city of Sydney with awe-inspiring art installations and 3D light projections, Vivid Light transforms our urban environment into a kaleidoscopic wonderland.

The Vivid Light Walk is an 8km free adventure from the Sydney Opera House to The Goods Line featuring 23 light installations and 8 projections.

Vivid Sydney is owned, managed and produced by Destination NSW, the NSW Government's tourism and major events agency.

There will be many people on the Vivid Sydney Light Walk, especially on weekends. Some pathways will have a one-way pedestrian flow to keep people moving safely. Please follow instructions given by marshals and volunteers, and pay attention to variable message signs. Please allow for additional timing or consider weeknights if smaller crowds is your preference.
