

Ever dreamt of creating your own Vivid Sydney artwork? This year, you're invited to take part in creating a projection mapping artwork for the ASN Clocktower building.

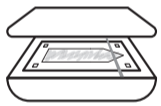

Everyone is invited to take part by getting creative and reimagining the façade as their own piece of art. For a chance to be selected, use this template to create a unique design. You can use text, materials, colour and patterns of any kind – let your imagination run wild!

Follow the instructions on how to submit digitally and share your artwork with us by scanning the QR code with your phone or go to www.vividsydney.com/colourthecity by the 9th April 2025.

Colour the City is an artwork by Mr.Beam.

Colouring tips:

1

Use bright colours!
All materials are allowed,
Colour / paint / cut and paste /
collage with pictures.
Get creative!

2

Prefer to work digitally?
Find this template on:
www.vividsydney.com/colourthecity

3

Avoid a white background:
try to cover the entire building.

4

Keep your drawing
neat and avoid creases.
