

**Request for Quote – Clarification Addendum**

Date:

9/4/2025

**Provision of Lighting Overlay Services 2025****Clarification:**

ID	Clarification Request	Clarification Response
1	<p><b>General</b></p> <p>Accountabilities make not that respondent needs to provide “power supply” - does this mean we need to supply generators? Can DNSW indicate where power is available?</p>	<p>Power will be available in most locations off mains except the Southern Goods line.</p>
2	<p><b>General</b></p> <p>Can DNSW confirm that all lighting elements and rigging would fall under the existing Vivid Sydney DA?</p>	<p>Yes, or landowner consent whichever is applicable</p>
3	<p><b>Martin Place</b></p> <p>Is there an existing power supply in Martin Place Pedestrian Tunnel, and if so, what type?</p>	<p>There will be a power supply with distribution in Martin Place if no alternative is found in Angel Place - end of tunnel.</p>
4	<p><b>The Goods Line</b></p> <p>Can you please provide an indication of extent of site lighting (ie. distance) that it needs to extend south of the pedestrian bridge at The Goods Line</p> <p>The Good Line South: Can you provide a map of the food vendors' locations?</p>	<p>General wash uplighting of this area.</p> <p>A map of food vendors is not currently available. Please only up light trees south of Thomas Street.</p>
5	<p><b>Marry Anne Street</b></p> <p>Can you please indicate where the festoon will need to go in Mary Anne Street Ultimo, as this will have a significant impact on rigging</p>	<p>DNSW will erect 2 x truss towers in the Powerhouse Carpark on Mary Anne St. Festoon to be rigged between the truss towers and existing City of Sydney Smart Poles.</p>

<p>6</p>	<p><b>Mary Anne Street</b></p> <p>Is there a site plan we can reference to see the stall layouts?</p> <p>Mary Anne St: What is the scope of the work? Is it only the very end of the cul-de-sac near the goods line?</p>	
<p>7</p>	<p><b>Mary Anne Street:</b></p> <p>Is there existing power in Mary Anne Street?</p>	<p>There will be power available in the adjacent boneyard and 2 trusses proved for festoon</p>
<p>8</p>	<p><b>Goods Line Central</b></p> <p>Can you please provide an indication of extent of site lighting (ie distance) that it needs to extend in Goods Line Central?</p>	<p>Roughly 30m</p>
<p>9</p>	<p><b>Goods Line Central</b></p> <p>Is there existing power in Goods Line Central</p>	<p>There is limited existing power on the southern end of the Goods Line though the Fire Kitchen suppliers will be providing generators in this area</p>
<p>10</p>	<p><b>Tumbalong Park Food Area:</b></p> <p>Do we need to assume that we need to light the entire Tumbalong grassed area? If not, can you clarify the size of the area requiring illumination?</p>	<p>DNSW to erect a 4m high x 3m wide eurotruss entry arch to the space. Light LED wash lighting to wash the food and beverage area from the entry arch – around 200m<sup>2</sup></p>
<p>11</p>	<p><b>Tumbalong Park Food Area</b></p> <p>Can we use power from the stage?</p>	<p>Event power will provide power distribution in this area. Contractor will need to supply cabling from Distro.</p>
<p>12</p>	<p><b>Tumbalong Park:</b></p> <p>Knowing what is happening at Tumbalong park would help estimate the scope of work. Food vendors? concert?</p>	<p>Food vendor area and seating – Tumbalong nights will happen on the main stage as per 2024. However this RFQ is not related to the stage, just minimal wash for the food area.</p>

13	<b>Metro Theatre</b> Can we use power from the Metro Theatre?	Quote for battery operated lights for the purpose of the RFQ,
14	<b>Metro Theatre</b> Assuming the location "Metro Theatre" is a typo, can you please clarify the dates are correct?	No typo, Metro Theatre to have entry and adjacent Central St uplighting wash for 3 nights, 6-8 June. This is similar for Town Hall, uplighting pylons 27 May, 29 May, 8 June, 13 June
15	<b>Metro Theatre</b> Do these lights need to be removed and replaced each night? Can they be stored on site?	Yes for safety. Can be stored inside Metro Theatre.
16	<b>Barangaroo Reserve</b> Can we use existing power on the reserve?	Event power will provide power distribution in this area. Contractor will need to supply cabling from Distro.
17	<b>Barangaroo Reserve</b> Can you provide a more accurate size of the area required to be illuminated?  Barangaroo Reserve: What are the 2 areas? Could you share any site map?	20 linear meters of trees in area 1, 200m <sup>2</sup> in area 2, area 2 is accompanied by the 60m of festoon lighting, DNSW to erect 3x 4m truss towers for the festoon lighting.

**Re-submission Options:**

Respondents who have already lodged their response to these Requests for Quote may update/re-issue their response should the clarifications outlined above affect their proposal. Updates or re-submissions must be received before the submission deadline of 10:00am, Tuesday 24 April 2025.
